Pepe

My first grinder

Peppe

GIVE A REFRESH TO YOUR COFFEE ROUTINE!

- 1 **Brew & Espresso burrs** | 50mm flat burrs made in Italy with a special design to achieve excellent filter coffee as well as good results in espresso.
- 2 **Easy to Use** | No need to be an expert or spend hours fiddling with complicated settings. With Peppe, enjoy a good cup of freshly ground coffee with the simple touch of a button!
- 3 **Eureka Grind Quality** | The highest grind quality in the market thanks to accuracy of Stepless Micrometric Regulation System, patented by Eureka.
- 4 **Lifetime grinder** | The only one in its product category equipped with AC motor to provide a unique reliability and durability over time.
- 5 **Compact and space-saving - fit it anywhere** | Perfect for any environment, from a small flat kitchen to a workspace, Peppe stands out for its minimalist and functional design.
- 6 **Clean & Controlled coffee outlet** | Dedicated Anti-Clumps & Electrostaticity System to collect the freshly ground coffee into the 200 grams basket without any dirt.
- 7 **Smoked 150 g bean hopper** | the smoked finish of the bean hopper provides an elegant touch and protects the coffee beans from light.

Recommended grinding modes
